Nova Bottle in Bianca Custom Gift Box

Need to know:

- **Please Note:** Due to the nature of the printing process, any white in a logo cannot be branded and we cannot guarantee an exact colour match as the box has a matt finish. The nature and inconsistency of the pre-cut boards may create a 1-3mm of unbranded space on the front lip and imperfections maybe be found within the print. Large solid coverage prints are not recommended, if large solid coverage is required, it is recommended on kraft boxes as imperfections are less noticeable.

- **Laser Colour:** Bottle - Gold

DP: Full wrap around designs may have slight misalignment at the join, depending on your artwork.

- Full circumference of bottle is 222mm wide
